# Presidents Report

2020 will go down as one the most challenging in memory. The season was the longest shortest season with everyone gearing up to start only to be postponed for months.

This was my second year as President, and it was thoroughly pleasing to see how well our community dealt with an unprecedented major disruption. The resilience of the association had already been proven in recent years with the demise of the Sand field and the delays caused by issues that could never have been predetermined.

As a community we were able to come together to make the 2020 season one that will be remember for the hockey on the pitch. All the decisions made were made with consideration for how we could get as many people on the field safely to enjoy the game that we were unable to play from March to June.

A special mention goes out to the members of the Executive (Ian Kennedy as Secretary, Jennifer O'Toole as Treasurer, Noelene Knowles and Mark Walker as Vice Presidents). This group continued to work during the time where community sport and much of New South Wales went into hibernation.

In addition the Turf Committee was instrumental in making sure that hockey started on time, taking charge with the Covid planning and implementation of the Covid Safety plan, negotiations with WSU and Sport NSW to provide financial support for the association and the large reduction in field hire fees for the NHA competition and club training to help get people on the field.

Next, I want to acknowledge the tiresome efforts of the clubs and the people who run them. They have had an enormous job to keep their members focused and engaged and we would not have made it to a competition without their efforts.

Lastly, I want to thank the members. The players, the coaches, the managers and the umpires who all gave up their time away from their families to help us have a competition.

This will be my final year as President and as an active member of the NHA community. I want to thank everyone who has helped me along my journey and I will enjoy watching from afar as NHA continues to grow and develop fantastic hockey players and create a home for players of all abilities.

Chris Eagleton

## NEPEAN HOCKEY ASSOCIATION INCORPORATED Independent Audit Report

### Scope

We have audited the special purpose financial report, comprising the cashbook detailing receipts and expenses and the bank reconciliation, of the Nepean Hockey Association for the 13month period ended 31 October 2020.

The treasurer of the Nepean Hockey Association is responsible for preparation of the financial report and has determined that the accounting policies used are consistent with the financial reporting requirements of the Nepean Hockey Association and are appropriate to meet the needs of the members of the Nepean Hockey Association.

We have conducted an independent audit of the financial report in order to express an opinion on it to the members of the Nepean Hockey Association. No opinion is expressed as to whether the accounting policies used are appropriate to the needs of the members.

The financial report has been prepared for distribution to the members. We disclaim any assumption of responsibility for any reliance on this report or on the financial report to which it relates to any person other than the members of the Nepean Hockey Association or for any other purpose other than that for which it was prepared.

Our audit has been conducted in accordance with Australian Auditing Standards. Our procedures included examination, **on a test basis**, of evidence supporting the amounts and other disclosures in the financial report, and the evaluation of significant accounting estimates. These procedures have been undertaken to form an opinion whether, in all material respects, the financial report is presented fairly so as to present a view which is consistent with our understanding of the financial position, and performance of its operations. These policies do not require the application of all Accounting Standards, UIG Consensus Views and other professional reporting requirements in Australia.

**Audit Report Qualification**

Receipts from cash donations and other cash fundraising activities are a significant source of revenue for the Nepean Hockey Association. The Nepean Hockey Association has determined that it is impracticable to establish control over the collection of donations and other fundraising activity revenue prior to entry in its financial records. Accordingly, as the evidence available to us about revenue from these sources was limited, our audit procedures for donations and other fundraising activity revenue had to be restricted to the amounts recorded in the financial records. We therefore are unable to express an opinion on whether cash donations and other cash fundraising activity revenue obtained by the Nepean Hockey Association are complete.

**Audit Opinion**

Subject to the audit limitations and remarks stated above, the financial report presents fairly the financial position of the Nepean Hockey Association as at 31 October 2020 and the results of its operations for the year then ended.

## JUDICIARY REPORT 2020

I have been unable to trace the previous paperwork from the Judiciary. The prior Convener advised she had given it to our secretary (Ian Kennedy) Ian replied he has never received it. Upon that statement we will have to raise a register in accordance with Judiciary guidelines to be held by NHA Secretary.

The current rules in both the Judiciary and Discipline need to be addressed as, for example, 1.4 and 1.5 are confusing as is the section referring to charges and subsequent penalties. I have stood for Judiciary for 2021 and if not selected I am happy to point out the areas to which I refer.

I was also asked to supply answers to questions to N Knowles and I Kennedy of the Executive referring to a Judiciary hearing. I did so but did not receive a reply from anyone and so assume the matter was resolved.

# Junior Development Officer Report

The 2020 season was a different one, with restrictions halting and limiting the junior development opportunities for children to engage in opportunities for development of hockey skills in both field hockey and indoor hockey. However, the love of hockey prevailed, with sessions of the Junior Development Squad at the start of 2020, before health restrictions came into play.

Of the back of a successful program seeing significant growth and development of players from its first instalment, the Junior Development Squad returned in 2020. With the added session for our older juniors, we ran an Under 13's session, with players as young as 5, and an Under 18's session. With the added age group, the Junior Development Squad numbered over 60 children for the 2020 instalment - a fantastic support for junior development in the Nepean Hockey Association.

*JDS 2020: Caeli McIntyre with Volunteer Coach Melissa Rosser*

The players participated in weekly training sessions focussed on core skill developed, as designed by Nepean Coaching Coordinator Kieran Knowles. We also saw the introduction of the new Junior Development Squad singlet, an updated design that will continue to be used for future seasons. Thank you to Krystal Cook, NHA Equipment Convenor, for supporting with the updated design and organisation of these singlets - they are fantastic!

# Publicity Report

## 2020

A reduced season, but some good media coverage as we all coped with this unprecedented season.

I mentioned in my last report it was great to get help with queries relating to events coming up in the off season i.e. Indoor and Summer Competitions.

Thank you again to Tabatha Knowles, Bec Howard and Katrina Melville.

## The Eagletons fly the nest

BY NOEL ROWSELL

**N**EPEAN Hockey Association spokesperson Jan Harrison has advised two great supporters of hockey in the Nepean (current President Chris Eagleton and his wife Sandy) sadly leave for the Gold Coast, Qld in the New Year.

"Chris and Sandy have been great supporters of hockey in our area and wonderful contributors to the growth and success of our players, especially Juniors," said Jan.

"We wish them all the very best and thank them for their dedication."

Chris first came into office for the NHA in 2014 as Vice President and also served as Treasurer, President and ran the Men's competition.

He also received the President's Award in 2018 and was Emu Plains Hockey Club 'Person of the Year' in 2013.

"I started playing with Emu Plains Hockey in 2009, at the October Long Weekend Carnival," Chris said.

"From there I was hooked, joining the Winter season in Nepean Hockey in 2010."

"I joined the Emu Plains Committee in 2012 and held various positions since, including Men's Convener and Treasurer, then took over the role of Emu Plains Hockey Club President in 2017."

Since then the club has boomed in numbers, growing from 2 to 6 full juniors teams in the 2020 NHA season.

Sandy and Chris Eagleton with NHA Life Member and Legend of the Nepean Ian Kennedy at an award ceremony. Photo supplied by NHA.

Chris has also qualified as an Umpire and has covered many games for his club.

This has additionally supported growth of the Club's senior teams, not only in number but in skill, with Emu Plains notably participating in 5 of the overall competition grand finals in 2019 and securing premierships in 4 teams.

Sandy has played for Emu Plains her whole career (21 years this season) and joined the Emu

Plains committee in 2012 as Treasurer.

Sandy also received Club Person of the year in 2012 and since then, has held the roles of both Women's Convener and Fundraising and has coached junior and senior teams for the last 5 years.

Sandy has been instrumental in growing the Women's and Junior Club membership, culminating in 5 senior Women's teams and 7 junior teams in 2019.

A special thanks to Ian Kennedy also who will make my report expertly presented by adding pictures and an article in the Nepean News by Noel Rowsell relating to Chris and Sandy Eagleton's farewell.

**Benson and Mellinda Brewin**

Nepean News Editor to submit articles often the short season that hockey was still out the commencement of sessions that are starting thank Kerrie for allowing us several spots in the Nepean News as I know many contributors were also hoping to submit their articles.

Kerrie Davies allowed me as we struggled through allowed folks to see there and also included "The Little Flickers" soon. I would like to

In closing I mention the great help I received from Bob Aitken. Bob only too willing to help, came to my call for photos. Bob, I know has many excellent pictures from our Grand Finals etc and I would suggest that they be perused with the intention of maybe putting some up in our new Club house.

Goodness knows what will happen next year but we can only hope until then all stay safe.

I'd like to thank all clubs and players for their cooperation and patience while the second field was being upgraded and playing on one field for most of the season. I think we can all agree it was worth the wait and we saw a tremendous finals series played on the water field. Also, a big thank you to all who were involved in the running of this year's women's competition, without the help of our umpires, volunteers, officials and club representatives we would not have had such a successful year. And also, a big thank you to the technical officials who volunteered during the final series, Jennifer O'Toole, Cheryl Dollin and Ian Kennedy who were at the fields for much of the final series looking after our players and making sure games ran smoothly.

Thank you to everyone on the committee and those who come and participate in our monthly MCM meetings for being patient with me and helping me this season. Bring on 2021 and let's hope it's back to normality!

# Sponsorship Report

## AGM 2020

Thank you to the committee for allowing me the opportunity to take on the role of Sponsorship Convenor for the association.

This was not a great year with COVID-19 affecting nearly all aspects of people's lives. Needless to say, sponsorship was not a top priority for a lot of people.

Now that we do have the new water field up and running, more improvements happening around the grounds and the new building being installed for the 2021 season we will be in a better position to offer more to sponsors.

Some updates need to be done & new details to be finalised, then hopefully (fingers crossed) we can roll out a sponsorship package for 2021 that will help Nepean Hockey Association and our local community.

Thanks to the Executive Committee for all their hard work throughout this "special" season and ensuring we have an association to play for and thank you to the Turf Committee for their hard work and maintaining the fields so we can keep playing hockey in our local area.

- b. The Carol Morris Junior Umpire of the Year was not awarded in 2020. This was due to COVID-19 and the cancellation of the HNSW State Championships and a shortened local season.
- c. No Community Level umpires were assessed during the season. Myles Ford from Blaxland Rovers commenced his umpire on-field training in the U13 competition, hoping in 2021 he can gain his Community Level.

If an umpire has no accreditation, they **shouldn't be umpiring any games by themselves**, they must have an accredited umpire with them on the field for assistance with the game (if required). This is a benefit for both teams playing and the umpire.

This is only until they gain their accreditation, either Community Level or Level 1 (if there is a game in the association that the candidate can be assessed on).

The accreditation system is for field and indoor as Hockey Australia have separated the field and indoor accreditations again.

# Turf Committee Report

## 2020 Season

The Turf Committee have had a challenging year but have been successful in a number of areas – highlights for the year include:

- Successful implementation of a Covid Safety Plan that allowed Hockey in our association to return. I want to thank all our clubs and members for following the rules and whilst I understand they were frustrating at times this allowed us to complete a shortened season with as little inconvenience as possible.
- Due to the Covid-19 pandemic we offered a reduced rate for NHA club training and competitions that allowed clubs to offer reduced fees for 2020 only to ensure that numbers did not drop due to the shortened season.
- The Turf Committee was able to negotiate reduction in lease fees to zero for the last 9 months of 2020 from the Western Sydney University. Discussions are ongoing for ongoing rental relief that will allow us to continue to re-invest in the hockey Centre.
- The announcement of a successful grant submission through the Greater Sydney Sports Facility Fund that will result in new clubhouse with 4 changerooms, canteen, social room, and access for people of all abilities. This is a huge development for hockey in our area and is the latest step in ensuring we have a facility the entire Nepean Hockey Association can be proud of. The new building will be open in early 2021 and this would simply have not been possible without the hard work of a number of people but in particular Patrick Hurley has done an amazing job on Grants for the Turf Committee.
- The concreting of the middle section of the two fields was completed with a mixture of grant money and proceeds from the canteen. This makes this area much more user friendly and easier to maintain.
- We were successful in small grant to purchase new grandstands for the middle section.
- Another grant was received to upgrade the existing canteen building. This building will become an admin building for tournaments and smaller meetings. We also plan to extend the deck at the front for another viewing area.
- The Canteen was run internally by the Turf Committee in 2020 and whilst with a limit on what we could sell due to COVID-19 restrictions, we once again had a successful season. I would like to thank Noelene Knowles and Marnie Shortis in particular for their hard work in keeping the canteen stocked and ready to go. Once again, any money made from the canteen will be reinvested in the Hockey Centre.

We continue to look to the future and have applied for grants for the following works planned for the Hockey Centre;

- New goals for the Hybrid field
- Landscaping works
- Further shaded areas

I'd like to take this opportunity to thank all members of the Turf Committee – Noelene Knowles, Scott Williams, Marnie Shortis and Patrick Hurley; and non-voting member Chris Eagleton - for their fantastic work and support this season. I'd also like to thank the following people for their tireless work at the Hockey Centre:

- Ken Knowles
- Luke Doyle
- Michael Camacho
- Shane Haber
- Greg Evans
- Bruce Taggart

Further to that we held a number of working bees at the centre for general tidy ups and I want to thank everyone who attended. The hockey centre is OUR FACILITY and we all need to pitch in to help keep it looking in great shape so thank you to everyone for your help.

Of course, none of this would have been possible without support from Chris Eagleton, his executive team and the wider Hockey Community – Thank you.

We look forward to a great 2021 season.

## Annual Report - 2020

Blaxland Rovers Hockey Club is the only NSW Hockey affiliated hockey club in the Blue Mountains LGA. The club is an active family orientated club and fields teams in Nepean Hockey Association both at a senior and junior level for women, men and girls & boys.

The Club's vision is to provide an enriched and enjoyable hockey playing experience which leads to increased participation and player retention from Under 8's through to Seniors.

2020 has seen the Club registrations be impacted by the COVID-19 pandemic. The Club fielded teams in every Junior age competition group (U8's, U11's, U13's and U16's Red and Whites). The Club would like to thank the assistance of the Panthers Hockey Club to allow their juniors to ply in our U13 team. Due to low senior registrations the Club only fielded one womens and one mens team in NHA Senior competitions.

A Club's success can only occur due to the hard work of its officials, umpires, coaches and managers. Thanks, must also go to parents, partners, families and friends who directly support our players' success on the field.

Blaxland Rovers Hockey Club wishes to acknowledge the hard work of the Nepean Hockey Association and the Nepean Turf Committee.

The Club saw success on the field. As a club, U16 Reds and both senior teams made it to their respective Grand Finals.

Blaxland Rovers Juniors had a successful 2020 season. The players have developed and should be very proud of how they conducted themselves with exemplary behavior both on and off the field. The U16's Red won the Grand Final against Emu Plains.

Blaxland Rovers Seniors the women team competed in the NHA Women's 3rd Grade competition. The team were the undefeated Grand Final winners against Panthers. The men's team competed in the NHA Men's B Grade competition. The men were defeated in the Grand Final by Kings 2

# Emu Plains Hockey Club

Welcome to the 48th year of Emu Plains Hockey.

This season was one of a kind, with health restrictions in place, club members and their families rallied together to do all they could to get players back onto the pitch.

The club embarked on an ambitious plan at the start of the year to build on the positive work of the last few seasons. At the club A.G.M all four Executive positions were filled and a fully filled club committee to ensure the season was supported across all avenues.

The 2020 executive committee consisted of the following people.

President: Chris Eagleton

Vice President: Rory Sansom

Treasurer: Andrew Berger

Secretary: Nathan Lester

Our Convenors for 2020 were the following

Men's Convenor: Andrea Seymour

Women's Convenor: Sandy Eagleton

Junior Convenor: Luke Doyle

Umpire Convenor: Nathan Stevens

Marketing Co-ordinator: Meeghan Thomas

Equipment Co-ordinator: Kate Sansom

Social Media Co-ordinator: Christina Kingsford

Social Engagement Co-ordinator: Nicola Petricevic

Fundraising Co-ordinator: Elizabeth Rowland

Website Co-ordinator: Mark Parnell

Head Coach: Michael Camacho and Michelle Kennedy

The committee continued the success from the 2020 season, working together to support each other and all club members across the unusual season.

In the online space, the Club continued to see high levels of traffic through the website, Facebook and Instagram profiles. Feedback from new players frequently confirmed the online presence of the club helped them to find hockey in the Penrith region. Both Mark Parnell and Christina Kingsford continued to be instrumental in maintaining our online presence and keeping friends and family of the club informed across the season.

On the training front we saw record numbers hitting the fields early in the season. The committee worked hard to make training worthwhile for all participants on the limited field space we had with a shift in training schedules to support the development of players. Seniors worked through fitness drills, core skills and had some fun games to enjoy the time on the pitch. Unfortunately, due to public health concerns regarding the COVID-19 outbreak the success of these sessions was short, as restrictions imposed halted our pre-season preparation.

We returned to an alternate training schedule in July, with additional health and safety procedures in place to ensure playing was a safe environment for all. It was unlike many had ever seen and we appreciated the understanding and support of all who ensured we had happy, healthy and safe players on the pitch.

Our club continued to have fantastic playing numbers, with 6 Junior Teams, 4 Womens Teams and 4 Mens Teams participating in the altered season.

*Front Row: Aleida Cook, Eliana Cook, Jyson Cook, Penelope Eagleton, Abbeygail Rowland*

Our Under 8's saw the introduction of some new and old coaching staff, with Andrew and Mark being joined by Meeghan and Emily. There were always many smiles as the players supported each other in training and games.

*Back Row: McKenna Sanders, Pixie Lamaro, Samuel Crowther, Logan Richardson, Tobie Morris, Hunter Watson, Xavier Gobbo, Abigail Inapakuteke, Eleanor Parnell, Ariadne Parnell, Sian Woods  
Front Row: Elijah Edwards, Ziva Edwards, Jyson Cook, Caitlin Mackenzie*

The Under 11's saw new and old players hold their own against the established teams in the competition. Lead by coaching team Michelle Kennedy, Sandy Eagleton, Krystal Cook and Elizabeth Rowland, we saw a season filled with sportsmanship and ensuring every game is hard fought and competitive - well done!

*Back Row: Darius Pratt, Ruby Delgado, Abbeygail Rowland, Penelope Eagleton, Ronan Morris, Elizabeth Mackenzie, Payton Cliff, Aleida Cook, Eliana Cook  
Middle Row: Surakshaa Jagadesh, Elijah Crowther, Georgia Taylor, Hannah Kennedy  
Front Row: Elijah Eagleton, Claude Edmunds, Ashton Lamaro, Eleanor Parnell, Jaxon Hind, Ariadne Parnell*

Our Friday night competition saw returning teams of Under 13's and Under 16's, with each team seeing growth in numbers. Many of our Under 11's players took the opportunity to access extra game time, supporting our Under 13's, who made it through to the Grand Final, under the skilled eyes of Chris and Sandy.

*Back Row: Chris Eagleton, Harry Coveney, Dale Sproule, Jacob Rowland, Elijah Eagleton, Precious-Lee Lavarak, Piper Mackenzie, Ashton Lamaro, Sandy Eagleton*  
*Front Row: Daniel Kearns, Darius Pratt*

The Under 16's continued their fine form off the back of the 2019 premiership maintaining a competitive position throughout the season. Led by our seasoned Junior Coaches Luke Doyle and Christina Kingsford they once again fought their way through to the Grand Final. While the game was hard fought, they just missed the top spot, going down to Blaxland in the Grand Final.

*Back Row: Luke Doyle, Lachlan Brown, Akmal Muhammad, Bradley Camacho, Shae Tohu, Cassidy Coveney, Hannah Priestley*  
*Front Row: Caetlyn Kearns, Nicholas Haber, Zoe Haber, Ella Pittman, Ethan Wentworth*

Across all the teams we had a significant number of new players to Emu Plains and new players to the sport itself. From the start of the season the coaches and players all worked extremely hard to build on their skills and work together as a team and by the end of the season all teams had become competitive.

*Front Row: Life Member Michelle Kennedy with Granddaughter Hannah Kennedy*

In our senior space we had 2 teams entered in both our Mens A Grade and Womens 1<sup>st</sup> Grade competitions due to wins from our 2019 season teams. We entered two 1<sup>st</sup> grade teams (Blue and Red), a 2<sup>nd</sup> and a 3<sup>rd</sup> grade ladies team.

The ladies had an amazing season which culminated in 3 Semi Final appearances, and a Grand Final appearance for our 1<sup>st</sup> Grade Blue Womens. After holding the crown of reigning champions for the last 2 seasons, unfortunately the premiership was not to be Emu's again, but we look ahead to the 2021 season to try secure it back.

All of the ladies played exceptionally throughout the season and worked very hard as a team against tough competition. They look forward to returning bigger and better in the new year.

Our senior men's teams also had a momentous year. With 2 teams entering the semi-finals, we unfortunately found ourselves unable to secure victories to make it through to the grand finals. We look forward to another big year in 2021 as we tackle new challenges and prepare to strut our skills on the pitch once more.

Finally, it would be remiss to finish this report off without thanking all of the amazing people who have assisted this year. From the coaches, managers, umpires, convenors, committee members, ground marshals, players and everyone in between this season has been one of the strangest in living memory and was still successful largely in part due to all of these people.

We look forward to an even bigger and better 2021 as we continue to build on the work and foundations laid this year.

Yours in Hockey

## The 2020 "Unprecedented Times" Season

RWHC would like to acknowledge the forward thinking and planning from both Hockey NSW and Nepean Hockey Association in developing a competition that delivered a COVID Safe hockey season. Retrospectively, community sport allowed families to claw back some familiarity into their routines and has highlighted the importance of exercise in promoting overall wellbeing. The hockey fraternity worked together to ensure our COVID Plans were followed so the season could commence and be played safely. The biggest hurdle for our players was to remember not to pick up the ball on the field – so many trips to the hand sanitising station!

The 2020 season saw the expansion of Richmond Women's Hockey Club fielding three teams and recommencing training sessions. Whilst many of our members have been associated with the club for many years, our new members were either new to hockey, new to NSW or returning to hockey after some time away. As a consequence, we fielded three evenly matched teams with the aim to develop all our players overall skill level and foster a sense of belonging. The new mix of players worked hard and all teams reached the finals.

Congratulations to the C Grade winners, Blaxland, who set the benchmark by fielding a very strong team and played a well organised and powerful game of hockey. We were delighted to keep our games tight against this team and lift our play to meet their standard resulting in very close games. Shannae Lawrence was rewarded for her great season, picking up the Best and Fairest Trophy for C Grade. The B Grade games were tightly contested which resulted in competitive games and ultimately a close table. We fielded two teams in B Grade, Reds and Blues, which were so evenly matched the games went right down to the final minutes! Congratulations to Panthers for taking out the B Grade final in a closely contested game.

## Representative Players

Somewhat diminished this year due to the lack of competitions, however, we are very proud of **Shannae Lawrence** who has been selected in the U15's State Hockey Squad.

## Umpires

Heather Knight was outstanding as our Umpire's Convenor, having to juggle the staggered start times with umpiring our commitments. Heather Knight, Judy Gray and Stephanie Lewis continued to provide quality umpiring throughout the season and we welcomed Melissa Mass and Sophia Le Brese to the umpiring ranks.

**Club Management & Finances**

RWHC continued to be financial. The restructure of fees for this season saw a reduction in registration costs overall. All invoices have been paid and there are sufficient funds to meet future financial obligations.

**Presentation Night**

Until the restrictions are lifted regarding socialising as a sporting club, we have postponed our presentation night until further notice.

**AGM**

At the time of printing, we have not held our AGM. In the past this has been held at our Presentation Night. We will hold the AGM in another format to meet our obligations as a registered sporting body.

Finally, I would like to acknowledge the amazing contribution of Stephanie Lewis to our Club. She has delivered high quality leadership in all facets of the game for many years both at Club level and Association level and we have appreciated her guidance and superior knowledge of all things hockey.

# President's Annual Report 2020

**President:** Chris Stone

**Vice President:** Peter Sheen

**Secretary:** Janine Harris

**Treasurer:** Alex Harris

**Club Delegates** Alex Harris and Peter Sheen

On Behalf of our club I would like to thank the executives, and delegates of the club for again making vast efforts to maintain, professionalism, commitment and integrity, so that this club can continue to be competitive. The tireless efforts by the executives, managers and coaches are purely voluntary. The jobs and tasking's associated with the running of the club are exhausting and thankless. 2020 is by far no exception and I personally thank you for what you have done, and how you have committed yourselves to make this happen. Thank you.

I must thank on behalf of all Rooty Hill RSL Hockey Members, Players and Executives the West HQ (Rooty Hill RSL Club) for their steadfast commitment to us throughout the years with their generous Support, without their support we would clearly find the financial burdens a challenge. With the sponsorship funds we have been able to maintain our junior fees and also drop our senior fees so that they did not feel the burden over this season. The active kids' voucher has been used gain this season by the majority of families. Fund rising started out strong with 2 Bunnings BBQ's unfortunately, we were unable to have any more this season, However Bunnings were very supportive donating 3 items to be raffled off. I would like to thank all those who organized and participated in these events

I would also like to thank the Nepean Hockey Association and the Turf Committee for their tireless commitment this year being that we have been in a Covid year. Thank you for your commitment and direction over this season and we look forward to moving forward into 2021 with renewed hope for a good season.

This year Rooty Hill RSL Hockey Club have had for the first time in many years 4 teams in our Junior competition. We had an Under 8's, Under 11's, Under 13's and a Under 16's. Considering we did not have full teams this year we had many from the lower teams playing up and they have learnt many new skills in doing so. A big Thank You goes out to our Coaches and

Managers for their tireless effort to train and keep our Juniors motivated, but also to the Parents who didn't know if they were even able to watch their children play due to COVID. Without them we would not have our Junior players at training or games. So, Thank you again.

Also, this season we have had our 2<sup>nd</sup> Grade Women, our A Grade Men and our B Grade Men. Our 2<sup>nd</sup> Grade Women have had an amazing season and have managed to keep on top of the table most of this short season. Our Men have not been as strong this season with most of them wishing there was a C Grade Men.

We are looking forward to seeing what 2021 will hold for the club next season. But in saying that we are all very proud to be called Rooty Hill RSL Hockey Club.

Unfortunately, there were no Representative players this season, but we are looking forward to the new year to see what 2021 will bring.
